« SLIDING PANELS SYSTEM ACCESSORIES »

Please indicate:

- Total width of the profile
- Single stack (left or right) or pair stacking (front-left or front-right).
- Number of panels and panels' width (or standard width, in which case we calculate the panels' width for you).
- Standard overlap is 5 cm. (If different indicate).
- Uncorded or corded (left or right and cord-drop).
- Indicate as well width of the bottombars: same as the panels' or standard (3 cm. shorter)
